

Animal Ambassadors

Sponsored by

Pearson's

As you probably know, Pearson Candy Company has been a local company for nearly 100 years and proudly manufactures Salted Nut Rolls, Nut Goodies, Bun Bars and Mint Patties for all to enjoy. We realize our success throughout the years would not be possible without the continued support of our consumers, and as a token of our appreciation, we attempt to provide community support. With this thought in mind, Pearson Candy Company offers a wonderful opportunity to senior citizens and disabled individuals who are confined to a care facility.

WHAT? What is the opportunity? A select group size of 30-60 senior citizens or disabled individuals are presented a wildlife program in a personal hands-on and one-on-one format!

WHO? Who presents this program? Two experienced and professional naturalists. Pearson's made the acquaintance of Jil and Marthe through Knott's Camp Snoopy by sponsoring a wildlife program 15 years ago. Jil and Marthe have continued the concept of this wildlife education through Pearson's "Animal Ambassador" program for many years, and this program still continues today.

WHERE? This program is being offered to senior citizens or disabled groups within the Twin Cities metro area - - - meaning we bring the program to you! Due to the unique characteristics of the program, we must limit the group size to 30 minimum and 60 maximum total participants.

COST? Remember there is NO COST to the group! Pearson's totally sponsors the program and provides samples to all attendees!

HOW? How do I book this program and/or get more details? Simply contact Marthe #612-961-9326. Please keep in mind that programs are limited and offered on a first-come, first-served basis.

Pearson Candy Company is honored to offer our Animal Ambassador program to the community!
